JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

UNION (TOWNSHIP), N. J.

COMMUNICABLE DISEASES.

SEC. 12. Every physician shall report in writing to the board of health the name of every patient he or she shall have affected with cholera, smallpox including varioloid, diphtheria, membranous croup, pulmonary tuberculosis, typhus, typhoid, scarlet and yellow fever, or any other contagious or infectious disease that may be hereafter publicly declared by this board to be dangerous to the public health, together with precise locality where such patient may be found, and such report shall be made within 12 hours after the first visit of such physician upon such person. All directions which the board of health shall prescribe for the purpose of preventing the spread of any disease, either by the use of disinfectants, fumigation, or otherwise, shall be strictly carried out, and any order that may be made by the board for the destruction of clothing or other articles for the purpose aforesaid shall be promptly obeyed. Any person or persons failing to comply with, violating, or offending against any of the provisions of this section shall, on conviction thereof, forfeit and pay a penalty of \$50.

SEC. 13. That whenever it shall be deemed necessary by this board to establish the true character of any disease, which they may believe to be communicable, a medical examination of the person or persons affected by such disease may be ordered, and such examination shall be permitted by all attendants and persons. Any person or persons offending against any of the provisions of this section shall, on conviction thereof, forfeit and pay a penalty of \$20.

SEC. 14. That no principal, teacher, or superintendent of any school, and no parent or guardian of any child attending any school, shall permit any child sick with any disease mentioned in section 12 or with any other communicable disease, or any child residing in any house in which such disease shall exist, to attend any school until such time as the attending physician certifies and the board of health approves that it can be done without danger of communicating the disease to others. Any person or persons offending against any of the provisions of this section shall, on conviction thereof, forfeit and pay a penalty of \$20.

SEC. 15. That in case contagious or communicable diseases occur in this township the persons affected thereby shall at the discretion of the board of health be isolated or they may be removed to such locality as the board of health may order and direct.

SEC. 16. That the occupant of any dwelling house, store, shop, or other building, or of any room or rooms in the same, in the township of Union in which said dwelling house, store, shop, or other building or room or rooms, there shall be any person or persons sick or infected with smallpox or varioloid, diphtheria, scarlet fever, or any other disease hereafter named by the board of health, shall put up and maintain in a conspicuous place on the front of said dwelling house, store, or shop, or other building, so that the same can readily be seen and distinguished, a card or sign on which the name of the disease shall be printed in plain letters, not less than 2 inches in height, and shall keep the same so put up during the time any person or persons so sick shall remain in said dwelling, store, shop, or other building, the same not to be removed except by order of the board of health, and no person or persons shall deface, injure, or partially or entirely obscure or hide or cover or remove the same. Any person or persons or corporations failing to comply with, violating or offending against any of the provisions of this section shall, on conviction thereof, forfeit and pay a penalty of \$50.

SEC. 17. That no person shall bring or cause to be brought into the township of Union any person infected with any contagious disease, except on a permit granted by the board of health; and no person shall bring or cause to be brought into the said township any article liable to propagate a communicable disease. Any person or persons or corporation offending against any of the provisions of this section shall, on conviction thereof, forfeit and pay a penalty of \$50.

SEC. 18. That the keeping of any dwelling house in which there is, or has been, any polluting or communicable disease without thoroughly airing, cleaning, and disinfection, is hereby prohibited; and any person or persons offending against this section shall be liable to a penalty of \$25.

SEC. 19. That all funerals and interments within the township of Union of persons dying of any contagious, infectious, or pestilential disease shall be under the direction of the board of health of the township, and shall be strictly private; and it shall be the duty of the householders and all persons concerned, when a death occurs from any such disease to prevent any needless assembling in the apartments or house where such diseases are of all persons liable to become infected thereby. Any person or persons or corporations failing to comply with or violating or offending against any of the provisions of this section shall, on conviction thereof, forfeit and pay a penalty of \$25.

SEC. 20. All cases of smallpox, diphtheria, scarlet fever, yellow fever, typhus fever, measles, Asiatic cholera, or other contagious and infectious diseases, and all cases of death therefrom in the township of Union shall be forthwith reported in writing to the board of health of the said township by the owner or occupant of any dwelling in which any of such diseases or deaths shall have occurred, and also by the physician in attendance on the case. All directions which the board of health shall prescribe for the purpose of preventing the spread of any such disease, either by the use of disinfectants, fumigation, or otherwise, shall be strictly carried out, and any order that may be made by the board for the destruction of clothing or other articles for the purposes aforesaid shall be promptly obeyed. Any person or persons or corporations failing to comply with or violating or offending against any of the provisions of this section shall, on conviction thereof, forfeit and pay a penalty of \$25.

[Part of ordinance adopted Dec. 11, 1911.]

YONKERS, N. Y.

SLAUGHTERHOUSES AND SLAUGHTERING.

SEC. 109. The keeping and slaughtering of all cattle, sheep, and swine, and the preparation and keeping of all meat and fish, birds and fowl, shall be in that manner which is, or is generally reported or known to be, best adapted to secure and continue their safety and wholesomeness as food; and every butcher and every person owning, leasing, or occupying any place, room, or building where any cattle, sheep, or swine have been or are killed and dressed, and every person being the owner, lessee, or occupant of any room or stable where any cattle may be kept, or market, public or private, shall cause such place, room, building, stall, or market, and their yards and appurtenances to be thoroughly cleaned and purified, and all offal, blood, fat, garbage, refuse, and unwholesome and offensive matter to be removed therefrom at least once in every 24 hours after the use thereof for any of the purposes herein referred to; and shall also at all times keep all woodwork, save floors and counters, in every building, place, or premises aforesaid thoroughly painted or whitewashed.

SEC. 110. No building occupied wholly or partly as a slaughterhouse or any part thereof, or any building on the same lot, shall be occupied or permitted to be occupied for a dwelling or lodging place without a permit from the health officer. It shall be the duty of every owner, lessee, tenant, or occupant of any building occupied wholly or partly as a slaughterhouse to keep such building at all times adequately and thoroughly ventilated; to permit no blood to remain therein overnight; to cause adequate underground connection to be made and maintained from any such building with a public sewer, whenever practicable, and where there is no public sewer adjacent or accessible from said premises, then said building shall be constructed and used in such manner for said business as the health officer may prescribe; to cause the floor of such building on which slaughtering is done, and the yard to be kept properly cemented and paved so as not to absorb blood and so as to carry all liquids into the sewers, or in the manner which may be otherwise prescribed by the health officer, to permit no blood or dirty water, or other substance from any animal slaughtered in any building or place to run, fall, or be in or upon any public street, avenue, sidewalk, or place.

SEC. 111. Every slaughterhouse and the business of slaughtering cattle, sheep, or swine within the city of Yonkers shall be at all times subject to the inspection of the health officer, and subject to all sanitary regulations of the health bureau.

[Part of ordinance adopted Dec. 26, 1911.]
